

Smart Heating Controls Training Course

Course Information

- The course usually starts at 8.45am and finishes at approximately 5pm.
- All lunch and refreshments are included; a vegetarian option is available if possible. (Please confirm dietary requirements on booking form overleaf.)
- You will receive venue information, including location and timings, in the week before the start date of the course.
- After attending the course, you will receive a certificate of attendance and a pack of literature.
- Confirmation of your booking and a VAT receipt will be sent once payment has been taken.
- Course fee – £75 (excl. VAT) for training only or £99 (excl. VAT) for training and T6R-HW.

Agenda

- In-depth training on 'OpenTherm' – what it is, what it is not, benefits and capabilities enabled by using digital modulating control, also known as 'load compensation'.
- Thermostat applications including T4 and T6 series; evohome. Single, 2 zone and multi-zoning. Stored hot water control. Application options and hands-on with products.
- Security and awareness products including Wi-Fi cams, whole house security, water leak detection.
- Smarthome integration and creating scenes, voice control and geofencing. Smart assistant speakers and third-party platforms. 'Works with Honeywell'.
- Opportunities for heating installers to become 'smarthome specialists'.

TERMS & CONDITIONS

- The delegate fee is payable at time of booking to secure your place on the course.
- Any delegate failing to attend without a minimum of 48 hours' prior notice will be charged a non-refundable fee.
- All courses are subject to date change or postponement. If the minimum number of delegates is not achieved an alternative date will be supplied.
- Any date changes/cancellations will be notified via email/ phone as soon as possible.
- Resideo will make every effort to contact delegates; therefore, accuracy of contact details is essential.
- In the unfortunate event of course cancellation you will receive a full refund.
- Resideo cannot be held responsible for any costs or inconvenience that may be caused by postponement or cancellation of courses.
